CAROL M. BARTLETT
Clerk

POLICE REPORT

January 31, 1983

To The Honorable Selectmen:

Gordon Placy, Chairman

Richard Hicks, Jr.

Frank Owen

Gentlemen:

This year in presenting my annual report to the Selectmen and citizens of the Town of Colebrook for the year 1982, I am pleased to say that I have saved the taxpayers money in my budget, due to the fact that there was a large savings in wages and insurance.

This year I received the resignation of Officer Stephen Brooks, who was accepted by the United States Border Patrol. He has completed his training and now is stationed in Texas. Officer Roland Martin has been rehired to replace Officer Brooks and is a Certified Police Officer in the State of New Hampshire, graduating from the Police Academy in April of 1980.

Officers Daniel Lyons and Roger Pond were hired as Special Police Officers during the year, and both will be attending school in the near future to become Certified Special Police Officers.

The Police Department in conjunction with various community organizations and private contributors, acquired the "Jaws of Life" extrication tool. This rescue tool, which is manned by the Colebrook Fire Department, will aid at the scenes of serious motor vehicle accidents; in which occupants are trapped, and other similar emergencies in the area.

This department, in cooperation with other departments nationwide in the crackdown on drunken driving, has seen a decrease in alcohol-related accidents during the year. Our department, along with the New Hampshire State Police, have apprehended and prosecuted sixty five (65) violators for the year 1982.

In December of this year, the Police Department completed a Cardio Pulmonary Resuscitation - "CPR", and Emergency Cardiac Care Course, given by Instructors Eric Stohl and Judith Cross of Colebrook. This course will be of great value, if the occasion should arise and we were the first upon the emergency situation. We will be given a refresher course each year, which will keep us certified.

The renovation of the Police room this year, by adding on an evidence room, was an improvement in processing and securing lost and stolen property.

We received our cruiser. The cruiser has been equipped with a new radio which replaced our obsolete and frequently out-of-order radio. This new radio allows direct contact with the Fire Department, Hospital and other Law Enforcement agencies. We believe this will quicken response time to emergencies and help to save lives and property.

I would like to thank the Selectmen for their continuing guidance throughout the year. A thanks for continued support and assistance to the citizens of the Town of Colebrook, also to Troopers John Barthelmes and Howard Weber, of the New Hampshire State Police, Deputy Sheriff Thomas Pryor, the North Country REACT Team, the dispatchers, the girls in the dispatch center for their clerical assistance and a special thanks to the dedicated men of my department.

With this kind of support and assistance, I am confident Colebrook will be a safe community for our citizens and their children now and for years to come.

Respectfully,

WAYNE H. CROSS
Chief of Police

TOWN AUDITOR'S REPORT

This is to certify, that with the exception of the Colebrook District Court, we examined the books and other records of the Town of Colebrook as submitted to us for the year ending December 31, 1982. We recommend that the hours for Radio Communications and General Government Expenses be reported where they are worked and suggest that maybe the Administrative Assistant be put on salary.

COLEBROOK PUBLIC LIBRARY REPORT

Over 21,000 books, records, magazines, tapes and patterns were checked out in the past year.

The library has joined the North Country Library Coop, comprised of area libraries from Littleton to Colebrook. By joining, we are receiving a bigger discount on books and supplies, participation in Children's projects and more continuing education advantages for the librarians.

Frances Haynes, Children's librarian, has completed two Public Library Technique courses working toward certification as a Public Librarian.

During the summer, children enjoyed films from the State Library and story telling by Judy Jacques.

Late in the year, Ellen Moore joined the staff as Library Assistant working part time in a clerical position.

Correspondence with George Meserve, Jr., the architect for the library building, reveals he is alive and living in Medford, Mass. He sent money, requesting books he bought in his name. The Time-Life Wilderness series has been purchased with that money.
